

For the First Time in Forever (Frozen)

SOLO (Brynlee Dalton)

The window is open, so's that door
I didn't know they did that anymore
Who knew we owned eight thousand salad plates?
For years I've roamed these empty halls
Why have a ballroom with no balls?
Finally they're opening up the gates
There'll be actual real live people
It'll be totally strange
Wow, am I so ready for this change!

SOLO (Gracie Wyatt)

'Cause for the first time in forever
There'll be music, there'll be light
For the first time in forever
I'll be dancing through the night

SOLO (Rachel Storm)

Don't know if I'm elated or CRAZY
But I'm somewhere in that zone
'Cause for the first time in forever
YOU won't be alone

SOLO (Peyton Butler)

Tonight imagine me gown and all
Fetchingly draped against the wall
The picture of sophisticated grace

SOLO (Ava Ashworth)

Ooh! I suddenly see him standing there
A beautiful stranger, tall and fair
I wanna stuff some chocolate in my face

SOLO (Gabbi Prince)

But then we laugh and talk all evening
Which is totally bizarre
Nothing like the life I've led so far

SOLO (Sophia Rosevear)

For the first time in forever
There'll be magic, there'll be fun
For the first time in forever
I could be noticed by someone

SOLO (Ella Anderson)

And I know it is totally crazy
To dream I'd find romance
But for the first time in forever
At least I've got a chance

SOLO (Piper Duquette + Brynlee duet)

Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, put on a show
Make one wrong move and everyone will know
But it's only for today
(It's only for today)
It's agony to wait
(It's agony to wait)
Tell the guards to open up the gate
(The gate)

ALL (Piper/Brynlee Harmony)

For the first time in forever
(Don't let them in, don't let them see)
I'm getting what I'm dreaming of
(Be the good girl you always have to be)
A chance to change my lonely world
A chance to find true love.
(Conceal, don't feel, don't let them know)
I know it all ends tomorrow
So it has to be today
'Cause for the first time in forever
For the first time in forever
Nothing's in my way!
