TRIP A LITTLE LIGHT FANTASTIC

(from Mary Poppins Returns)

Now when you're stuck in the mist, sure
You can struggle and resist or
You can trip a little light fantastic with me
Now say you're lost in the crowd, well
You can stamp and scream out loud or
You can trip a little light fantastic with me

And when the fog comes rolling in, just
Keep your feet upon the path
Mustn't mope and frown or worst lie down
Don't let it be your epitaph
So when life is getting scary,
Be your own illuminary
Who can shine the light for all the world to see
As you trip a little light fantastic with me

MAMA SAYS *(from Footloose)*

Mama says
Don't hold your breath
for longer than an hour
The woman knows where it's at!
And Mama says it doesn't matter
If you're a king or you're a clown
Once you drive up a mountain
You can't back down

HARD KNOCK LIFE *(from Annie)*

Got no folks to speak of, so,
It's the hard-knock row we hoe!
Cotton blankets, Steada wool!
Empty bellies, Steada full!
It's the hard-knock life!

Don't it feel like the wind is always howlin'?
Don't it seem like there's never any light?
Once a day, don't you wanna throw the towel in?
It's easier than puttin' up a fight.

FOR THE FIRST TIME IN FOREVER

(from Frozen)

But then we laugh and talk all evening
Which is totally bizarre
Nothing like the life I've led so far

For the first time in forever
There'll be magic, there'll be fun
For the first time in forever
I could be noticed by someone
And I know it is totally crazy
To dream I'd find romance
But for the first time in forever
At least I've got a chance

FINDING WONDERLAND *(from Wonderland)*

A happy ending, A perfect rhyme
'Cause finding Wonderland
is finding who you are
The child within has always been there
like a shining star
So when I close my eyes I see forever and
I keep on finding wonderland

I AM A CHILD OF GOD

I am a child of God,
And he has sent me here,
Has given me an earthly home
With parents kind and dear.

Lead me, guide me, walk beside me,
Help me find the way.
Teach me all that I must do
To live with him someday.
