

Ready as I'll Ever Be (Tangled the Series)

[GARA]

Believe me, I know
I've sunk pretty low
But whatever I've done you deserved
I'm the bad guy, that's fine
It's no fault of mine
And some justice at last will be served

[SHADOW KEEPER 1]

Now it's time to step up
Or it's time to back down
And there's only one answer for YOU
And YOU'LL stand up and fight
Cause YOU know that I'm right

[GARA & SHADOW KEEPER 1]

And I'm ready, I'm ready, I'm ready
Ready as I'll ever be

[LJOT]

Now it's time to rise up
Or it's time to stand down
And the answer is easy to see

[CRESCENTIA]

And I swear by the sword
If you're in, get on board
Are you ready?

[MARIANA & DARIUS]

I'm ready

[PRISONERS]

We're ready

[SHADOW KEEPERS]

We're ready

[LJOT & CRESCENTIA]

Ready as I'll ever be

[QUEEN CALLISTA]

Are you quite sure we can do this?

[LANGSTON]

Together we will, guarantee

[GARA]

I'll make them hear me
(Now it's time to repeat)

[QUEEN CALLISTA]

Prove they can trust me
(Or it's time to resolve)

[MARIANNA]

I'll save my home and family
(And the outcome will hardly come free)

[BANDITS]

Now the line's in the sand
And our moment's at hand

[SHADOW KEEPER 1]

And I'm ready

[DARIUS]

I'm ready

[QUEEN & LANGSTON]

I'm ready

[GARA]

Ready as I'll ever be
