

I Will Prevail (Wonderland)

(GARA SOLO - Rachel Thompson)
A child believes IN HAPPINESS,
But that belief always MADE MY
LONELY LIFE seem SUCH A MESS.

I NEEDED YOU... I NEEDED truth
NEEDED FAM'LY IN MY youth
To LATE FOR THAT

Now every piece is in place
And all that's left to erase before I
Take over all the power
Is every trace of MY SISTERS,
AND the queen

She's been a thorn in my side
And she can run but can't hide
We're fast approaching the witching hour
And settling scores is my routine

(Gara + SHADOW KEEPERS)
Oh well -- all's well, end's well --
(Gara)
farewell SADNESS
(Gara + Shadow Keepers)
Too late -- checkmate
(Gara)
is your fate, It's over
I come alive I'M NOT afraid
I'll write the ending of THIS
Tragic fairy tale
I will survive and THIS will fade
Here in the shadows I can't fail...
While I prevail

(Gara + Shadow Keepers +Shadow Crew)
Oh well -- all's well
End's well -- farewell, SADNESS
Too late -- checkmate is your fate
It's over

I come alive I'M NOT afraid
I'll write the ending of THIS
Tragic fairy tale
I will -- survive - and heaven knows
There is no way that I can fail
I will prevail
