

Like Other Girls (Mulan 2)

SOLO (Harlie Hurst)
The life of a princess
From her birth is well-defined
She must humbly serve her country
Play the parts she's been assigned

SOLO (Claire Wilde)
She guards the hopes of her people
Weak and mighty, rich and poor
Who could ever ask for more?
(Who could ever ask for...)
Who could ever ask for...
More?

SOLO (Jessica Cederlof)
I wanna be like other girls
Climb up a tree like other girls can
Just to be free like other girls
Get to be

SOLO (Peri Jorgensen)
To slouch when I sit
To eat a whole cake
Feel the sun on my FACE
Get dirty, Act silly

SOLO (Harlie Hurst)
Be anything I want to be
To dance around
in my COMFY PANTS

SOLO (Ambree Runyan)
To run really fast
To get rid of this fan

SOLO (Alison Jankovich)
To eat a whole cake
Get crazy With frosting

SOLO (Sylvie Brown)
No escorts, No manners
No nursemaids. No worries
No hands folded perfect,

NO DIPPING A CURTSY

[No pinchy shoes?]

ALL
I wanna be like other girls
Scrape up my knee like other girls can
Just to be free, Like other girls
Get to be

SOLO (Lauren Reynolds)
To speak for myself
To sing way off key
Marry someone I've met,
Who loves me for me

SOLO (Claire W)
No escorts, No manners
SOLO (Brynlee D)
No nursemaids, No worries
No hands folded perfect,

ALL
NO DIPPING A CURTSY

No pinchy shoes!

I wanna be like other girls
Climb up a tree like other girls can
Just to be free like other girls
Get to be
