SOLO (Logan Wilson)

A single thread in a tapestry
Though its color brightly shines
Can never see its purpose
In the pattern of the grand design

If a man loses everything he owns
Has he truly lost his worth?
Or is it the beginning
Of a new and brighter birth?

SOLO (Bridger Dalton)

So how do you measure the worth of a man
In wealth or strength or size?
In how much he gained or how much he gave?
The answer will come
The answer will come to him who tries
To look at his life through heaven's eyes

SOLO (Logan Wilson)

And that's why we share all we have with you
Though there's little to be found
When all you've got is nothing
There's a lot to go around
No life can escape being blown about
By the winds of change and chance
And though you never know all the steps
You must learn to join the dance
(Logan + Bridger)
You must learn to join the dance

So how do you judge what a man is worth
By what he builds or buys?
You can never see with your eyes on earth
Look through heaven's eyes
Look at your life
Look at your life
Look at your life through heaven's eyes
